

# Rutherfordton

## A MINTED ORIGINAL

**Finance Director**-Town of Rutherfordton, population 4,213, is seeking an experienced local government financial management professional who is grounded in the values of public service, ethics, and exceptional customer service, for the performance of financial oversight for the Town. This position is part of the Town's Leadership team with direct responsibility of the Town's fiscal management operations to include general accounting, payroll, accounts receivable and payable, budgeting, audit preparation, and other general administrative duties. The Finance director also serves as the Human Resource Officer for the Town. The position supervises one accounting / payroll tech, but also performs multifaceted leadership duties under supervision of the Town Manager.

A Bachelor's degree in finance, accounting, or business management is required. Preference will be given for Master's degree in accounting, business, public administration or related field as well as certification as a Certified Public Accountant and/or Certified North Carolina Local Government Finance Officer. Must pass a background check and must be bondable. Hiring range: \$45,000- \$60,000. Salary based on experience and qualifications. Excellent benefits package.
