

Christmas TREE LIGHTING

Help Light the Tallest Christmas Tree in North Carolina! (or so we say it is!!)

The Town of Rutherfordton, Rutherford Town Revitalization and the Rutherfordton Merchants Association need your help! For many in our community one of the highlights of the Christmas Season was to see the cedar tree on the Courthouse lawn lit up for the Holidays. This year with help from Camp Electric, Hutchins Crane Service, the Town of Rutherfordton, and **YOU**, we as a community can bring back the tree lighting and make new memories!

The Town will cover the costs of providing the electrical circuits and power, Camp electric has donated the labor to wire everything up and Hutchins Crane service has donated the crane to hang the strands of lights. Here's where you come in, we need 30 strands of lights to hang from the Tree at a cost of \$150 per strand. Your donation will purchase a strand of LED lights and bring to life those fond memories of yesteryear for all to enjoy!

We encourage you to join us on Saturday December 3rd at 6:30pm following the Annual Christmas parade as we light the tree with music provided by Ol' Hwy 74 Jazz.

Rutherford County Court House Tree Lighting Project Donation Form

Name or Business Name: _____

Address: _____
